SAFETY OFFICERS

AVAILABLE! Need someone to manage your Health & Safety Program? We have qualified staff to assist you in managing your daily, monthly or annual compliance needs.

AED SALES, SERVICE & MAINTENANCE PROGRAMS

*An AED if applied to a victim in the first 3-5 minutes of cardiac arrest increases **the chance of survival to 78%**. Without an AED on-site the victim has a less than 14% chance of survival.*

*Let us assist you in the acquisition of an AED. Our program meets all of the State and Federal Regulations for AED Implementation. Call for more information and a **FREE** copy of the Good Samaritan Law and the AHA AED Implementation Guidelines.*
